9.2. After the deadline for the exercise of the right of hearing of the interested parties, the jury appreciates the allegations offered and, if it maintains the exclusion decision, notifies the excluded candidates by email with delivery receipt, beginning the application of the selection methods to admitted candidates.

10. **Methods and evaluation criteria:** The selection methods are the Scientific and Curricular Trajectory Assessment (SCTA) and an Interview (INT) with weights of 90% and 10%, respectively,

10.1. The evaluation of the scientific and curricular trajectory focuses on relevance, quality and timeliness:

   a) Of the scientific and technological production of the last five years considered more relevant by the candidate;
   b) From the activities of managing science, technology and innovation programs, or from experience in the observation and monitoring of the scientific and technological system or higher education, in Portugal or abroad;
c) From applied or practice-based research activities developed over the last five years and considered to be of greatest impact by the candidate;

d) The activities of extension and dissemination of knowledge developed in the last five years, namely in the context of the promotion of culture and scientific practices considered by the candidate to be more relevant.

10.2. The period of five years referred to in the preceding paragraph may be increased by the jury, at the request of the candidate, when justified on grounds of suspension of scientific activity for socially protected reasons, namely for reasons of parental leave, prolonged serious illness, and other situations of unavailability for work legally protected.

10.3. For the Scientific and Curricular Trajectory Assessment (SCTA) evaluation the following parameters and evaluation criteria with the respective weights are considered and the final classification of the ASCTA being obtained by the following formula: \( STCA = 0.4AQ + 0.15SP + 0.25RMP + 0.2ML. \)

a) \( AQ \) – Academic Qualifications: including appropriate, or related, educational area, scientific management and leadership activities;

\( SP \) – Scientific Production: including scientific production and PhD main supervision;

\( RMP \) – Research and Management Projects: including research activities, service provision and scientific cooperation activities;

\( ML \) – Motivation Letter: including relevance of the scientific and management path to the profile and personal career goals.

10.4. The classification obtained in the Evaluation Parameters is expressed in the numerical scale of 0 to 10 values.

10.5. The classification of each candidate is obtained by the average of the classifications of each one of the elements of the jury.

10.6. After the Scientific and Curricular Trajectory Assessment, the candidates with a score equal or higher than 7 values (70%) are approved for the Interview.

10.7. Candidates with an absolute merit score lower than the one provided in the previous point are considered immediately excluded.

10.8. At the 20 minute Interview (INT), the following parameters and criteria will be applied, represented in the following formula: \( INT = 0.25PAP + 0.25MA + 0.25VL + 0.25CELP. \)

a) \( PAP \) – Personality and Attitudinal Profile;

\( MA \) – Motivation of the Applicant;

\( VL \) – Vision of the Leadership;

\( CELP \) – Communication and English Language Proficiency.

10.9. The interview (INT) will be classified in a scale of 0 to 10 values.

10.10. The classification of each candidate is obtained by the average of the classifications of each one of the elements of the jury.

11. **Order of candidates:** The order of the candidates must be based on the evaluation made according to the evaluation criteria contained in this announcement.

11.1. After completion of the application of the evaluation criteria, the jury will draw up an orderly list of successful candidates with their classification.

11.2. The final classification (FC) of the candidates is expressed in the numerical scale of 0 to 10 values, being the classification obtained through the weighted average and represented in the following formula: \( FC = 0.9 \times STCA + 0.1 \times INT. \)

12. **Participation of interested parties and decision:** The final ordering project is notified to the candidates, by email with receipt of delivery of the notification, to pronounce for the purpose of preliminary hearing to the interested parties, pursuant to article 121 and following of the Code of Administrative Procedure.

12.1. At the hearing of the interested parties, the jury appreciates the allegations offered and approves the final ordering list of the successful candidates. Within 90 days, from the deadline for submission of applications, the final decisions of the jury are given.

12.2. The final decision of the jury is approved by the Rector of the Universidade do Minho that also decides on the hiring.
13. **Publication of results**: The list of admitted and excluded candidates, as well as the final ranking list of the successful candidates are publicized on the University of Minho’s website, and the candidates are notified by email with receipt of delivery of the notification.

14. The present tender is exclusively destined to fill the indicated vacancies and may be terminated until the homologation of the final ranking list of candidates and expires with the respective occupation of the jobs on offer.

15. The present announcement was approved by the jury of the tender at its meeting on 03/06/2020, according to the minutes of the meeting approved therein.

16. **Non-discrimination and equal access policy**: The University of Minho actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, beneficiary, disadvantaged or private of any right or exemption from any duty owing, in particular, to ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.

16.1. Pursuant to section h) of article 9 of the Constitution of the Portuguese Republic, the Public Administration, as an employer, actively promotes a policy of equal opportunities for men and women in accessing employment and professional advancement, scrupulously any form of discrimination.

17. The selection of the candidates to be hired will be conditional, with the corresponding labour contracts being executed depending on the availability of the budget and corresponding funding under the aforementioned legislation and the regulations and rules established by the Foundation for Science and Technology (FCT).
